New BSCAI Founders Circle Yielding Success

Chicago - The Building Service Contractors Association International (BSCAI) is pleased to announce the success of the newly established Founders Circle. The program recently started and BSCAI has raised an excess of \$150,000 in pledges, exceeding the anticipated goal. The Founders Circle is an esteemed program that recognizes individuals and companies that provide gifts to the association.

The funds generated in the Founders Circle will provide support to BSCAI for launching new initiatives in areas such as technology, certification and business development. Recently, BSCAI has yielded increased attendance at events, launched a Webinar series and new educational opportunities geared at BSC and security contractors. The positive momentum of the association is being felt across the BSC and security contracting industries.

"In the past year, BSCAI has made great strides in providing new and innovative opportunities for members to network, build relationships and learn," said BSCAI President Ernest Clark, Jr. CBSE, Mister Kleen Maintenance Co., "Our members are thrilled to see the positive changes being made, The success of the Founders Circle program will help to sustain new ideas and benefits for years to come."

The Founders Circle allows members who have benefited from BSCAI the opportunity to show their appreciation and give back to help the association grow through financial contributions. Through the enthusiasm and positive energy provided by current members, BSCAI looks forward to future membership growth in the upcoming years.

The Founders Circle has five contribution levels ranging from Topaz, recognizing cumulative giving of \$10,000, to Emerald, recognizing cumulative giving of \$50,000. BSCAI acknowledges those leaders who have donated to the association. Current Members of the Founders Circle include:

“It is a privilege and an honor to be a part of the Founders Circle. This program will enable the association to ‘raise the bar’ on educational and networking opportunities for our existing and future members. It will allow the revamping of existing programs and encourage the development of new ways to deliver value and our message to our member base,” said Donald Pottieger Sr., CBSE, Southland Landscape Corporation. “I encourage every BSCAI member company to leave a legacy and be a part of this new and exciting program.”

Each donor will be recognized during the 2008 BSCAI Annual Convention & Trade Show, held April 25-28, 2008 in Tampa, Florida.

About BSCAI

Founded in 1965, BSCAI has become the trade association of the building service industry, representing a worldwide network of more than 2,000 member companies from across the United States and 30 countries worldwide who provide cleaning, facility maintenance, security and other related services to building owners and managers. The association provides educational programs, certification, publications, video training programs, seminars, and networking opportunities, all developed specifically for leaders in the building service contracting industry.
