###

About BSCAI

Founded in 1965, BSCAI has become the trade association of the building service industry, representing a worldwide network of more than 2,000 member companies from across the United States and 30 other countries who provide cleaning, facility maintenance, and other related services to building owners and managers. The association provides educational programs, publications, video training programs, seminars and networking opportunities, all developed specifically for the building service and security contracting industries.
