BSCAI Announces its 2010 Vendor Partners *Organizations support year-round BSCAI initiatives*

CHICAGO – The Building Service Contractors Association International (BSCAI) announces its 2010 Vendor Partners, a sponsorship and advertising program for industry partners. Thus far, four companies have chosen to support BSCAI and its initiatives this year.

BSCAI Vendor Partners participate in programs that demonstrate their commitment to the association and its members. These select organizations make it possible for BSCAI to develop and host high-quality events, including the BSCAI Annual Convention, CEO Seminar and Executive Seminar.

The 2010 Vendor Partners represent various aspects of the industry and are the leaders within their segment. Current BSCAI Vendor Partners include:

- JohnsonDiversey
- Sunbelt Rentals
- TEAM Software
- Windsor Industries

“We thank these valuable partners for their commitment and contributions to BSCAI,” said BSCAI President J. Michael Horgan, Hurley Corporation. “Their support allows us to produce high-quality programming to help our members take their businesses to the next level.”

BSCAI Vendor Partner benefits include:

- Recognition in pre- and post-event communications, as well as onsite
- Event registrations
- Speaking opportunities
- Access to attendee lists
- Credits toward additional onsite exposure
- Final program advertisements

Contributions are recognized year-round through a combination of online and print marketing, membership mailings, press releases and Webinars.

Visit www.bscai.org for more information.

About BSCAI

The #1 choice for successful building service contractors

Building Service Contractors Association International

Celebrating 45 years of industry service, BSCAI has become the trade association of the building service industry, representing a worldwide network of more than 1,800 member companies from across the United States and 30 countries worldwide who provide cleaning, facility maintenance, security and other related services to building owners and managers. The association provides educational programs, certification, publications, video training programs, seminars, and networking opportunities, all developed specifically for leaders in the building service contracting industry.
