

VTC Insurance: BSCAI's Endorsed Property / Casualty Insurance Carrier

Valenti Trobec Chandler, Inc. is BSCAI's endorsed insurance carrier. They provide property and casualty insurance, as well as surety bonds in the construction field. VTC Insurance has a long history of affiliating itself with various construction and trade associations in an effort to better understand their businesses and to provide the most comprehensive coverage available.

What VTC Can Do for BSCAI Members

VTC Insurance offers more than 20 years of experience in the janitorial insurance arena, with coverage that has been expanded well beyond the former CNA program. They offer 24-hour emergency claims service as well as online claims reporting and certificate issuance.

Property/Casualty Insurance Program Endorsed by BSCAI:

- Extremely competitive rates available in all 50 states
- Specially designed coverage for your industry
- Loss Control/Prevention Manual 'designed' for our industry
- Extensive experience and expertise in the cleaning industry
- Flexible payment plans available
- Online certificates of insurance service available

Maintenance Industry Specific Coverage:

- Coverage for customers property in your care, custody or control
- Coverage for loss of customer's keys to replace locks
- Coverage for theft of your customer's property by your employees — No conviction clause
- Limited work-site pollution coverage available
- 'Unnamed premises' coverage (including cleaning equipment) while stored at your customers building

VTC understands that BSCs often provide ancillary services to their customers. These services vary, and they may include everything from snow plowing, landscaping, building construction or re-construction services, electrical, painting, and window washing (specifically high-rise cleaning). Understanding that each BSC company has different coverage needs, VTC offers specific, customized insurance plans. For more information about VTC Insurance, please visit www.vtcins.com.
