Spartan Chemical Announces New Scholarship Program for BSCAI

MAUMEE, OHIO., January 25, 2019 — Spartan Chemical Company, a recognized leader in the formulation and manufacture of sustainable cleaning and sanitation solutions for the industrial and institutional market, announced today the first ever scholarship program for the Building Service Contractors Association International (BSCAI).

The Stephen H. Swigart Scholarship will be awarded to one student each year who meets or exceeds certain standards set by the BSCAI committee. The mission of this scholarship is to provide funds to the student that will promote the welfare of the public as it relates to the contract cleaning and maintenance industry.

“We are so proud to give back to the BSCAI,” said John Swigart, President, Spartan Chemical Company. “Education is a core value at Spartan and something we strongly promote within our organization and our extended network of partners. It was natural that we would establish the Stephen H. Swigart Scholarship Program with the BSCAI.”

“This scholarship program really demonstrates the generosity of Spartan Chemical,” said Michael Diamond, CBSE, President, BSCAI, “and I want to thank John Swigart for putting it together and for the company’s continued partnership with the BSCAI.”

The scholarship was announced by Michael Diamond during the BSCAI CEO Seminar in Grand Cayman, Cayman Islands. Spartan was represented by Frank Trevisani, building service contract director, Jerred Attanasio, manager of building service contactors and Bill Stewart, west coast building service contractor manager.

About Spartan Chemical Company

At Spartan Chemical Company, we make clean simple®. We are a recognized leader in cleaning and sanitation solutions for the industrial and institutional market. As a proud US employer, Spartan formulates and manufactures high quality products from our state-of-the-art facility in
Maumee, OH and sells both domestically and internationally through a select network of distribution. Spartan's products and services are used in building service contractor, education, food service and processing, health care, industrial, lodging/hospitality, and vehicle care markets.

About BSCAI

For more than 50 years, the Building Service Contractors Association International (BSCAI) has been the Business Resource for Contractors™. BSCAI represents a worldwide network of companies from across the United States and throughout the world that provide cleaning, facility maintenance, security, landscaping and other related services to building owners and managers. The association provides contractor-specific educational programs, individual certifications, publications, a members-only purchasing program, seminars, industry data and research and networking opportunities, all developed specifically for leaders in the building service industry.
