We all like to feel valued and appreciated

Cleaning is one of the most important industries in the world, yet most of the people undertaking this important work are invisible to you. Every day, tens of thousands of skilled, hard working cleaning staff are onsite to ensure your premises are ready to go for the next business day. Cleaners work day, night and weekends to keep your working and living environments clean, safe and hygienic, often outside of normal working hours.

Thank Your Cleaner Day™ recognises the hard work cleaners do and lets them know they are valued and appreciated. This year’s Thank Your Cleaner Day™ will be held on October 16th 2019 and your business has the opportunity to get involved.

Companies around the world just like yours, that are cleaned and maintained by cleaning contractors, will be supporting Thank Your Cleaner Day™.

Why not join them and take this opportunity to thank the cleaners who are looking after your premises. Let them know you recognise and value their work and you are aware of their vital contribution to your business. We all like to feel valued and appreciated.

Get involved!

It’s easy to get involved, simply contact your cleaning company. They have everything you need to get your business ready ahead of time for this special day. Offering advice on timings and format that suits both your cleaner’s and your business needs. Tell your staff about this special day, as they may like to get involved too. Your cleaning company has tools for you to be able to spread the word throughout your team.
